Dear Respected Official,

We are proud to write this letter of recommendation on behalf of the 100 Black Men of South Metro. Over the course of the 2017-2018 Rites of Passage program, we've worked hand-in-hand with the organization to assist in providing an option for economic development through entrepreneurship. The Pathways program has been a great way to begin the early lessons of entrepreneurial opportunities within the community. Starting with business basics, we have been able to help students generate ideas and take them from business ideation to business planning and investor presentations.

The 100 Black Men of South Metro have been instrumental in the implementation of this process and have provided the necessary tools for the program's success. We look forward to continuing our relationship with this outstanding organization and are pleased to recommend them as Chapter of the Year.

Sincerely,  
Joseph Walters  
President/TRG
